

Volunteer Information Form

Get Involved!

Dear FHA Resident:

We know that being a volunteer helps one to be a real part of the community. Fearingtonians are very generous in volunteering their time and talent and we appreciate that. We realize, however, that each of you is unique – with your own priorities, needs, talents, and time constraints -- and so we try to provide a range of activities in which you may participate. Please review the volunteer opportunities suggested below, and check any you are interested in - or tell us if there are other areas that you could assist in that may not be listed.

Please complete this form (one per volunteer) and drop this form off at the Hospitality Office at the Gathering Place, where you can also get information about additional volunteer opportunities.
