### President's Message

Welcome to high summer in North Carolina! Given weather projections and this past month, we can expect extremely hot temperatures and the potential for strong storms. As most of us are senior citizens, high temperatures are very dangerous for us. Please protect yourself! Try to plan outings for morning or evening, avoiding the heat of the day. An afternoon siesta may be in order. Hydration is also of prime importance. Make sure your fluid intake is increased to make up for fluid loss. Most of all, enjoy the beautiful surroundings with your

family and friends.

Our current major refurbishment projects will be completed by the end of this month. Creekwood mail kiosk construction should be completed, with new mailboxes and new keys. Instructions on how to obtain the new keys will be forthcoming. The Swim and Croquet mail kiosk will be thoroughly cleaned and new package lockers installed. The retaining wall behind The Gathering Place has been replaced and upgraded.

Discussions with Brightspeed continue. Your FHA and the service groups have met with Brightspeed numerous times. Those service groups with private roads must grant permission in order for fiber-optic cable to be laid in their areas. Those areas with only state roads will not be asked, as the State of North Carolina has given Brightspeed permission to use the existing easements along those roads. Once all permissions are granted, Brightspeed will re-mark the routes and begin laying cable. The time to complete, once started, is estimated to take six weeks.

As many of you know, your FHA has solicited bids for a new management contract. By the time of the next *Gazette*, the contract should have been awarded. As we have become larger and more complex, it is necessary to increase the scope of services provided by our management firm. At this writing we are in the midst of interviews with the top two applicants, one of which is our existing management company. Both are excellent, and the choice will be difficult—a good problem to have, from our perspective.

Even though we are entering a slower, more relaxed period in the Village, social events will continue. Your FHA will host an ice cream social for the more than 275 residents who volunteered in Village activities in the past year. Without their support and dedication, Fearington Village could not function. In August, your FHA and our management firm, Associa, will sponsor National Night Out, saluting our first responders. We will circulate details later, but expect food, entertainment, and fellowship.

To all residents, thank you for all you do to make Fearington Village a wonderful place to live. If you are traveling, please be careful, and have a wonderful time. We look forward to everyone's return in the fall.

### Soliciting in the Village

Recently there have been a number of solicitors knocking on doors in the Village. Some have been aggressive. Soliciting in the Village is **not** permitted for any reason. If you are approached, inform the individual that they may not solicit and that they are trespassing and in violation of the law. If they continue, or become aggressive, contact the sheriff's department at 919-542-2911 (non-emergency number).

### Scene Around Fearrington Preview for Future Issues By Gordon Pitz

Scene Around Fearrington takes a break this month. *The Belted Gazette* will not be published in August. For September we have something special planned, which we think you will find interesting and entertaining.

For the remainder of the year, we are open to readers' suggestions. Recent issues have addressed black and white, nighttime, and infrared photography; photographic jokes; and portraits. There have been photos featuring ducks and other birds, cats, wildlife, and the Belties. We have celebrated special events, and illustrated times of day, seasons of the year, and weather conditions. Local photographers have been featured in collections of their own photos that deal with several other topics.

What else would you like to see? Do you have an idea for themes that might provide interesting photographs, or present a challenge that persuades photographers to try something new? Are you a photographer who would be willing to show your own images here?

Please send your ideas to [editors@fearringtonfha.org](mailto:editors@fearringtonfha.org), using "Scene Around Fearrington" as the subject for your email.

### AM Book Club

Join the AM Book Club on **Wednesday, July 17, at 10:15 am at McIntyre's Books** to discuss *Tunnel 29* by Helena Merriman. It is a true story from the early days of the Berlin Wall: in the words of one reviewer, "he escaped from one of the world's most brutal regimes. Then, he decided to tunnel back in. In the summer of 1962, a young student named Joachim Rudolph dug a tunnel under the Berlin Wall. Waiting on the other side in East Berlin were dozens of men, women, and children—all willing to risk everything to escape."

On **Wednesday, August 21 at 10:15 am** we will discuss *Hello Beautiful* by Anne Napolitano. Four very different but loving sisters and their parents are at the beating heart of this novel. Set mainly in the Pilsen neighborhood of Chicago, as well as Northwestern University (Lake Michigan plays a role, too), the eldest sister brings into their orbit a young man whose dedication to basketball and his teammates has saved him from utter despair. His family story is a counterpoint to the warmth and inclusivity of the Padavanos family. We follow them all as they navigate love and loss, choose careers and mates, and raise children.

All residents of Fearington Village and Galloway Ridge are welcome to participate. Questions? Contact Cathy Clare, [catfear@gmail.com](mailto:catfear@gmail.com) or Carole Yardley, [peacefulathome@bellsouth.net](mailto:peacefulathome@bellsouth.net).

### Bocce Club

Bocce—it's easier than you think—is great exercise, provides socialization, and is playable year-round! Mixed men's and women's open play takes place on **Tuesdays and Thursdays at 2 pm in the winter and 10 am the rest of the year. The bocce pitches are at the end of Benchmark off Creekwood in the Historic District.** For more information, contact Jim Rudbeck at 919-444-3117 or [jprudbeck40@gmail.com](mailto:jprudbeck40@gmail.com).

### Concert Series

The Fearington Concert Series is pleased to announce its 2024-2025 season, one which will bring another stellar lineup of both veterans and new faces to our concert home at The Gathering Place. Details of the six concerts will be found on the FHA website under Clubs and Other Organizations>Clubs and Groups>Fearington Concert Series.

Previous subscribers have been mailed a ticket order form for the 2024-2025 season. For new subscribers, 2024-2025 subscription ticket order forms will be available at each of the mail kiosks throughout Fearington. The form also will be available on the FHA website under Clubs and Other Organizations>Clubs and Groups>Fearington Concert Series.

All concerts will take place **at 3 pm at The Gathering Place**. Season tickets are \$100 per person.

Individual tickets are \$25 and may be purchased at the door 10 minutes before each concert begins, on a space-available basis.

In addition to our regular series and ticketed separately, pianist Steve Baddour will perform a concert on November 10, 2024, to benefit Fearington Cares and Women of Fearington. More information on this event will be forthcoming.

Please direct any questions to Jo Bolig by email at [jobolig@gmail.com](mailto:jobolig@gmail.com) or to Nina Alperin at Galloway Ridge by phone at 919-704-8796.

### Duplicate Bridge

## GALLOWAY RIDGE Galloway Ridge Special Events Committee

AT FEARRINGTON

Ferrington residents and their guests are cordially invited to attend a Galloway Ridge Special Event at **4 pm on Sunday, July**

**7, in Chapin Auditorium at Galloway Ridge.**

The Gabe Evens Trio—a jazz threesome that has thrilled local audiences in the past—will return to present "Songs of Love."

Pianist Gabe Evens, guitarist Keith Ganz, and vocalist Kate McGarry are lifelong friends and musical collaborators. While all three members of this trio have active solo careers, they have honed a tight group sound through countless hours of jamming together on gigs as well as in their living rooms. They share a love of crafting beautiful, direct melodies that playfully interact, weaving musical tapestries that are as surprising to them as they are to the audience. The music for this concert will be centered on themes of love and the different ways it can be expressed and perceived.

Gabe Evens is the associate professor of jazz piano, composition, and arranging at the University of Louisville Jazz Studies Program. He has eight albums of original music and has had numerous compositions performed by chamber and large ensembles, including the Louisville Orchestra, Orquestra Sinfónica de Loja, the Cape Symphony Orchestra, and the Malaysian Philharmonic Orchestra. Kate McGarry and Keith Ganz have been musical and life partners for 20 years, producing seven critically acclaimed albums together and earning two GRAMMY® nominations for Best Jazz Vocal Album. After honing their craft on the NYC jazz scene for many years and a stint out west at the California Jazz Conservatory, the couple make their home in Durham, NC.

Admission is free. Enter Galloway Ridge's main lobby, and staff will direct visitors to the auditorium.

Join Raleigh native Bob Rankin on **Sunday, July 14, at 4 pm at Galloway Ridge Chapin Auditorium**, for an inspiring exploration of art. Bob will be discussing and demonstrating his creative process, drawing inspiration from his extensive travels and lifelong dedication to artistic expression. Discover how Bob's global journeys translate into a vibrant world of color, textures, and the pure joy of discovery. Witness Bob's artistic passion extend beyond the canvas. Learn about his remarkable career as a teacher, philanthropist, and the driving force behind Raleigh's thriving art scene, including his role in founding Art in the Village (later Artspllosure). Bob's international acclaim and numerous awards are a testament to the power of his artistic vision. This event promises a captivating blend of artistic insight, personal stories, and a live demonstration that will ignite your creative spark.
